QEP Plan

By Feb 2016, SACSCOC expects us to have a well-defined plan (75 pages plus 25 pages of appendix) in place and to include the following components:

1. A focused topic directly related to student learning
2. Clear goals
3. Adequate resources in place to implement the plan
4. Evaluation strategies for determining the achievement of goals
5. Evidence of the involvement of appropriate institutional constituencies in the development and implementation of the Plan

QEP Director Duties

- Provide leadership and meet with all constituents to gather input while developing the plan
- Define student learning outcomes
- Conduct review of literature related to experiential learning
- Develop action plan
- Develop assessment plan
